I. IF CURRENT LICENSE IS PROVISIONAL, IDENTIFY THE CORRECTIVE ACTIONS

II. IDENTIFY THE AREAS OBSERVED ON THE VISIT:

An unannounced licensing visit was made to B-F Pre-Kindergarten on 11-8-2024. The preschool is non-profit and overseen by a Board. Kristen Walker is the director, her family purchased the school building several years ago from the school district. B-F Pre-Kindergarten is a small preschool program for children ages three through five years old. The preschool is located in the old Nodaway Elementary School in Bridgewater IA, Kristen's family purchased the school building several years ago from the school district. Classes are held on Monday, Wednesday, and Friday mornings. Kristen has been the director and lead teacher since 2002. Kristen has her CDA, BA degree in Elementary Education and has several reading and prekindergarten endorsements. Kristen is also the director at Immanuel Little Lambs Preschool in Greenfield Iowa.
I met with the director, Kristen Walker during my licensing visit. There are 10 children enrolled in the program.

Observation of rooms:
Both program rooms looked great and have a fun variety of age and developmentally appropriate toys and equipment. The children were having fun playing in the activity centers. Kristen and her assistant teacher Taylor were present, they had excellent interactions with the children, they were positive and nurturing.
The preschool uses Creative Learning Curriculum, Owls Learning Curriculum, and Handwriting Without Tears Learning Curriculum.
Kristen has lesson plans/activities.
The center provides fun events throughout the year i.e. Christmas program, grandparents night, a dinner, carnival, gals night and guys night.

Nutrition:
The center provides the daily snack. Kristen said she follows the CACFP food program guidelines and they have a snack menu.

Health and safety:
Monthly fire/tornado drills are practiced and documented.
The center uses bleach/water for sanitizing.
Radon testing was completed in March 2023 with a test result of 3.8 pCi/L. Radon polices have been updated, please refer to your DHHS handbook for information as the frequency for radon testing may have changed for your center.
Kristen reported that the building has all electric appliances.

Playground:
The center has a playground area and monthly inspections were completed.

Transportation:
The center doesn't provide daily transportation services. The program takes walking field trips in the area. In the past they have taken one field trip at the end of the year to the Blank Park Zoo in Des Moines. Parents are responsible for their child's transportation to this field trip.

Administrative records:
Staff files were read and were in excellent order. Child files were and were in excellent order.
Kristen maintains excellent communication with parents and provides a monthly calendar/newsletter of events and a weekly note. Parent teacher conferences are held twice a year.

Your program is a wonderful resource for the community. The preschool is family owned. Kristen Walker has many years of experience in preschool/child care and education fields, she has her CDA and her Elementary Education Degree with Reading and Pre K endorsements. She is confident as the director and is very enthusiastic and proud of her centers. She is organized and maintains licensing documentation in a binder.
