Dear Child Care Provider:

This letter is in regards to the compliance visit at your Registered Child Development Home C conducted on 10/24/2024. Iowa Code Chapter 237A and 441 Iowa Administrative Code, Chapter 110, describes specific requirements that must be met by a Registered Child Development Home. You are not a participant in the voluntary Quality Rating and Improvement System. The following areas were out of compliance at the time of the visit:

441 IAC 110.8(2) **Use of Outdoor Space**

441 IAC 110.8(2) "b" When there is a swimming or wading pool on the premises:

1. A wading pool shall be drained daily and shall be inaccessible to children when it is not in use.

2. An aboveground or in-ground swimming pool that is not fenced shall be covered whenever the pool is not in use. The cover shall meet or exceed the ASTM International (formerly known as the American Society for Testing and Materials) specification intended to reduce the risk of drowning by inhibiting access to the water by children under five years of age.

3. An uncovered aboveground swimming pool shall be enclosed with an approved fence that is non-climbable and has a minimum height of four feet.

4. An uncovered in-ground swimming pool shall be enclosed with a fence that is non-climbable and is at least four feet high and flush with the ground.

Findings:

1. 110.8(2)b The provider has an above ground pool that is not in compliance. The provider does have a cover but it does not appear to meet ASTM standards. At the time of the visit, the pool was covered and the ladder was removed for the end of the season.

Suggestions/Recommendations:

I encourage you to work with Heather Bloome from Child Care Resource and Referral with any ongoing compliance or training needs.

Heather can be reached at: 563-940-7971.

Corrective Action Required:

1. The provider needs to either install a fence around the pool that is at least 4' high and non-climbable or install an ASTM approved cover, before the pool is opened up next year. The provider is working with SW Bailey to remedy the pool situation.

Non-compliance with any of the mandated requirements listed above may lead to the cancellation or revocation of your Child Development Home Registration. Please take whatever steps are necessary to completely address each of the violations noted above. It is essential you correct all above-mentioned violations.

Please do not hesitate to contact me at DHS at 319-800-4702 or holly.bailey@hhs.iowa.gov if you have any questions regarding this letter.

Sincerely,

Holly Bailey
